To Whom It May Concern

This is to certify that G6 Trading has supplied 25,800 water meters to our Bureau in collaboration with Apator Powogaz S.A. during the year 2009/2010. The company is also under commitment with our Bureau to supplying additional 52,500 water meters of differen size during 2010/2011. In both cases, the manufacturer of the water meters is Apator Powogaz S. A., a renowned water meter producer in Poland. The water meters have been proved to be of high quality.

The companies have supplied the water meters complete and as per the schedule. Therefore, we confidently recommend the two companies (G6 Trading and Apator Powogaz S. A.) to supplying water meters. Please do not hesitate to contact us should you need any further clarification.
